

# ABOUT US

---

We are an independent bar, restaurant and café housed in the Young Vic theatre's award-winning building just off the South Bank.

We've been a popular destination for theatre-goers, local workers and our neighbours since 2006.

Menus celebrate the best of local and global produce, from our rotating craft beers, outstanding wines, inventive cocktails and Allpress Coffee.

The kitchen is all about fresh seasonal food from organic, free range and sustainable sources.
